

SHIVAM RAI

Full Stack Web Developer · Web Content Management · UI Engineering

shivamrai17092004@gmail.com | +91 6388629266 | Sonbhadra, Uttar Pradesh |

PROFESSIONAL SUMMARY

Computer Science student with expertise in Full Stack Web Development and Web Content Management. Proven track record in building responsive applications and automating manual processes to improve operating efficiencies by 70%. Certified by Apna College in Full Stack Web Development and DSA with Java. Seeking to leverage technical skills in HTML5, CSS3, JavaScript, and jQuery to optimize digital marketing platforms and accelerate time-to-market at scale.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Java, Python, jQuery, SQL

Web Development: HTML5, CSS3, Web Content Management (CMS), Responsive Design, Full Stack Development

Tools: Git / GitHub, MS Excel, VS Code

CS Fundamentals: DSA, OOP, System Design, Algorithms & Time Complexity

Data: Advanced MS Excel (Pivot Tables, VLOOKUP, Data Modeling), Data Visualization Concepts (Power BI / Tableau)

Soft Skills: Team Leadership, Stakeholder Management, Technical Documentation, Attention to Detail, Adaptability

TECHNICAL PROJECTS

SigmaGPT — AI Chatbot Application

MERN Stack · OpenAI API · Node.js · REST API · Web Content Management ·

- Developed a MERN-stack ChatGPT replica from scratch, integrating the OpenAI API for real-time AI conversational capabilities, demonstrating proficiency in next-generation content services.
- Built a secure Node.js backend to manage data flow between the frontend UI and AI services, ensuring low-latency responses and a seamless user experience.
- Implemented a responsive, component-driven UI using React and CSS3, achieving full cross-device compatibility across mobile and desktop viewports.

Zerodha — Stock Trading Dashboard Replica

Full Stack · Real-Time Data Visualization · Decoupled Architecture · JavaScript ·

- Built a full-stack stock trading dashboard featuring real-time data visualization and complex state management, integrating data and technology to mirror production-grade platforms.
- Implemented a decoupled architecture to separate frontend rendering from backend data processing, improving site stability, performance, and maintainability.
- Applied responsive design principles using HTML5, CSS3, and JavaScript to ensure consistent rendering across all device sizes.

Gym Biometric Attendance System

System Design · Biometric Integration · Web Content Management · Process Improvement · Stakeholder Communication

- Built a biometric-based attendance system for 50+ gym members, automating check-in and eliminating 100% of manual entry errors — demonstrating rigorous attention to detail and data accuracy.
- Developed a dedicated administrative module for content management and reporting, allowing non-technical users to easily update member records and view attendance analytics.
- Reduced administrative processing time by ~70% through real-time biometric validation and tamper-proof records — a measurable process improvement outcome.
- Designed end-to-end architecture across 3+ modules (registration, validation, reporting) ensuring cross-device compatibility and scalable data flows.
- Led stakeholder communication across a team of 3 from design through deployment, maintaining structured workflow and on-time delivery.

Full Stack Web Application

HTML5 · CSS3 · JavaScript (ES6+) · jQuery · Responsive Design · Git / GitHub

- ▶ Designed and developed a fully responsive full-stack web application achieving cross-device compatibility across mobile and desktop.
- ▶ Implemented 5+ interactive UI components and dynamic content rendering using JavaScript and jQuery, applying Apna College Full Stack coursework.
- ▶ Maintained clean code standards and consistent Git commits, resulting in zero layout-breaking bugs post-deployment.

EDUCATION

Kalinga Institute of Industrial Technology (KIIT University)

Bhubaneswar, Odisha

B.Tech in Computer Science (CSE) — 3rd Year, 6th Semester | Roll No: 23052671

Saint Joseph School, NTPC Rihand

Sonbhadra, Uttar Pradesh

Higher Secondary — Class XII (Science Stream)

Notre Dame School, NTPC Badarpur

New Delhi

Secondary Education — Class X

CERTIFICATIONS

Full Stack Web Development — Apna College · 2024

DSA with Java — Apna College · 2023

ACHIEVEMENT

🏆 Kabaddi U-16 — South Delhi Zone Representative
